

10th Edition

ICMBA 2026

Indian Convention on
Compounds Masterbatches & Additives

10th Edition of

Indian Convention on Compounds Masterbatches & Additives

**Novotel Mumbai,
International Airport,
Andheri (E)**

21 - 22 October 2026

Day 1 : 8.30AM to 9.00PM

Day 2 : 9.00AM to 3.30PM

- Conference
- Networking
- Displays
- Market Research

Organised by

Colour Publications Pvt Ltd
The House of Many Masters

Powered by

**POPULAR PLASTICS
& PACKAGING**

India's premier journal for the plastics, polymer and packaging industries

75
CELEBRATION
YEARS

AGENDA

Day 1 | 21st October 2026

08.30-09.30	REGISTRATION & NETWORKING
09.30-09.45	Welcome Address - Dilip Raghavan, Convenor, ICMBA 2026
09.45-10.15	Keynote Speaker: Unmesh Nayak, COO-Polymers, Reliance Industries Limited
10.15-10.40	Solutions for Recycling and UV Stabilization in the Automotive Industry - Klaus Keck, Rianlon, Belgium
10.40-11.05	Advanced Wetting & Dispersing Additives for Enhanced Colour Masterbatches - Amol Pawar, Fine Organics, India
11.05-11.40	VCI Technology & Bio-Degradable Solutions for Masterbatches - Rajan Raje, Nichem, India
11.40-12.05	Transparent/Translucent PP Solutions for Automobile parts via Novel Clarifier - Tatsuhito Nakamura, ADEKA, India
12.05-12.30	Sustainable Additive Solutions for Packaging & Molding Applications - Albert Soekarno, Xinier, Singapore
12.30-13.45	Lunch & Networking
13.45-14.10	Mixers for Masterbatch and Compound Production - Yash Parikh, Neoplast, India
14.10-14.45	Compounding of Advanced Cable Grades with a Compact Processor - Jayadeep Karunakara, Farrel Pomini, UK
14.45-15.10	Strand versus Underwater Pelletizing: Selection of the most appropriate process - Uwe Kellner, MAAG, Germany
15.10-15.35	Conveying Systems for Masterbatch and Compound Production - Chintan Mehta, Prasad Group, India
15.35-16.00	Testing and QA for Masterbatches - Corne Verstraten, Collin Lab & Pilot Solutions GmbH, Germany
16.00-16.45	TEA/COFFEE BREAK & NETWORKING
16.45-17.10	Use of Carbonates in Compounding for Engineering Plastics & Masterbatches - Ashish Bhatt, Omya, Switzerland
17.10-17.35	Cristobalite : The Versatile Additive - Ketan. D. Mapara, Sibelco, Belgium
17.35-18.00	Advanced Talc in Engineering Plastics and Masterbatches - Asha Rajesh & Sudheer NS, Golcha Group, India
18.00-18.25	Role of Metallic Stearates in Masterbatches - Bhavik Surti, Twib Chem, India
18.25-18.50	Regulatory Landscape & Responsible Use of Anti-Microbials in Thermoplastics - Tamilarasi K, N9 World, India
18.50-19.15	Thiosynergists for maximizing heat aging performance Masterbatches - Harsh Bhatt, Tulon Materials, India
19.15-22.00	COCKTAIL DINNER & NETWORKING

Day 2 | 22nd October 2026

09.30-10.00	Breakfast & Networking
10.00-10.25	Titanium Dioxide Applications in Masterbatch - Vince Row, Indorama, Spain
10.25-10.50	Optimisation of Titanium Dioxide in Masterbatch Applications - Andy White, FP-Pigments, Finland
10.50-11.15	Specialty Carbon Blacks for Masterbatches - Sukdeb Sil, BKT Carbon, India
11.15-11.40	Functional Colorants for Plastic Applications - Dileep Patil, Sun Chemical, Germany
11.40-12.05	Specialty Colorants and Additives for Converting Industry - Vivian Luk, Milliken, USA
12.05-12.20	TEA/COFFEE BREAK & NETWORKING
12.20-12.45	Advanced Hyperdispersants in Colour Masterbatches - Saurabh Nikhare, Brenntag, India
12.45-13.10	High-Performance Pigments for Thermoplastics - Ishan Raveshia, VOXCO, India
13.10-13.35	Specialty Pigments for Demanding Applications - Bharat Kaura, Shepherd Color (BDC), USA
13.35-14.00	Nano-grade Ultramarine Pigments for Plastics - Nitin Agrawal, RS Pigments, India
14.00-15.30	LUNCH, NETWORKING & END OF PROGRAME

*Subject to Minor Changes

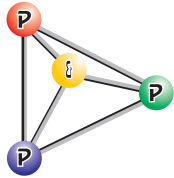

10th Edition

ICMBA 2026

Event Patrons

POPULAR PLASTICS & PACKAGING

In the service of the Plastics, Polymer & Packaging Industries for over 70 years

India's Premier Journal for the Plastics, Polymer & Packaging Industries

At our core, we retain our same unwavering commitment to serve the Plastics, Polymers & Packaging Industries with insightful content, market trends and commercially relevant interactions.

As we evolve, our purpose remains constant:
to inform, connect & contribute to the industries we represent.
